# Admin Manual

The screenshot shows the 'Admin Dashboard' interface. On the left is a sidebar with a B.R.A.D. logo and buttons for 'Create User', 'Manage User Roles', 'Help Menu', and 'Logout'. The main area is titled 'Admin Dashboard' and contains a 'Create New User' form. The form has input fields for 'First Name', 'Last Name', 'Username', and 'Email', followed by a 'General' dropdown menu and a 'Create User' button. Three callout boxes provide instructions: one points to the 'General' dropdown with the text 'Set new user's role to either Admin, Reporter, Investigator'; another on the right states 'Admin User can add new users'; and a third on the left states 'Set new user's role to either Admin, Reporter, Investigator'.

Create User

Set new user's role to either Admin, Reporter, Investigator

Admin User can add new users

## Add new user steps:

1. Admin creates new user by filling in all the user information
  - a. User can't exist already
  - b. Username and email must be unique
2. User receives an email with link to change their password
  - a. User will receive a one time pin to change password
  - b. User can't log in with one time pin
  - c. User must enter one time pin, new password and confirm password and will then be redirected to login with their new password

The top part of the image shows an email from 'cos301.cap2@gmail.com' to 'Megan'. The email contains a one-time password '10188' and a link to change the password. Below the email are three screenshots of the user interface. The first screenshot shows the 'Change Your Password' form with fields for 'Username', 'One-Time Password', 'New Password', and 'Confirm New Password', and a 'Change Password' button. The second screenshot shows the 'Change Password' button and a success message: 'Password changed successfully. You can now log in.' The third screenshot shows the 'Login to B.R.A.D.' form with fields for 'Username' and 'Password', a 'Login' button, and links for 'Forgot Password?' and 'Don't have an account? Register here'.
