Admin Manual For Reporter

The screenshot shows the 'Admin Dashboard' interface. On the left is a sidebar with a B.R.A.D. logo and buttons for 'Create User', 'Manage User Roles', 'Help Menu', and 'Logout'. The main area is titled 'Admin Dashboard' and contains a 'Create New User' form. The form has input fields for 'First Name', 'Last Name', 'Username', and 'Email', followed by a 'General' dropdown menu. A 'Create User' button is at the bottom. Three callout boxes provide instructions: 'Set new user's role to either Admin Reporter Investigator' (pointing to the dropdown), 'Admin User can add new users' (in a blue circle), and 'Admin User can add new users' (in a blue circle).
